SENATORIAL TELEGRAMS.

IF ALL THE LAWS of the land were construed as liberally as some United States senators construe their ******************** rights as to the senate's contingent fund law, enforcement would speedily become extremely difficult. As is generally known, the contingent fund is supposed to be used by the senators in the furtherance of public business. Many of them seem to din into it for the purpose of evading private obligations. The report of the secretary, just made public, brings to light some cu-

THE WISE MEN tell us that a day in June is the longest in the year, and they will laugh at your ignorance if you tell them they are mistaken. Nevertheless, they are mistaken. The longest day in the year does not come in June, but in December, and that December day is the 24th, which its today. Our authority for the assertion?
